He's all I need to get by
He's all I need to get by
He's all I need to get by

Like the sweet morning dew, I took one look at you,
And it was plain to see, you were my destiny.
With arms open wide, I threw away my pride
I'll sacrifice for you, Dedicate my life to you

I'll be there when you lead
Always there in times of need
And when I lose my will
You'll be there to push me up the hill
There's no, no looking back for us
We got love so much that's enough
You're all, You're All I need to get by (**He's all I need to get by**)

*He's all **I need to get by***
He's all I need to get by
He's all I need to get by

Like a bird protects her nest, for you I'll do my best,
Stand by you like a tree, dare anybody try to move me
Darling in you I found, strength when I was torn
Don't know what's in store, together we can open door

I'll be there when you lead
Always there in times of need
And when I lose my will
You'll be there to push me up the hill
There's no, no looking back for us
We got love so much that's enough
'Cause you, you're my destiny and know that you are there for me
Stand, standin' there by my side
'Cause you, you're all I need, all He's all I need to get by

To get by
To get by
