

MEDLEY

AS THE DEER/HALLELU, HALLELUJAH

di: M. Nystrom/D. Kerner-E. Rettino

As the deer
Hunting for the water
So my soul longin' there to Thee
You alone are my heart desire,
And I long to worship Thee.

You alone are my stream, my cheer,
To You alone does my spirit live.
You alone are my heart desire,
And I know to worship Thee.

(Let us sing the highest praise)
Hallelujah
Oh Lord we praise your name
(Let's sing together all the glory)
Oh the glory
(And all the praise)
Oh the praise
Oh Lord we praise your name

And to Him forever all the glory
And all the praise
Oh Lord we praise your name.
