

I'M GONNA BE THERE

di Carlo Rinaldi

Refrain

I'm gonna be there, I'm gonna be there, I'm gonna be there

when the chariot starts to roll

I'm gonna be there, I'm gonna be there, I'm gonna be there

when the chariot starts to roll

When the Lord / on high begins /

to welcome the fold /

he won't pass/ you by /

when the chariot / starts to roll

Gonna shine / your crown /

when the church bells tolls /

then all / gather round /

when the chariot / starts to roll

I'm gonna be there, I'm gonna be there, I'm gonna be there

when the chariot starts to roll

I'm gonna be there, I'm gonna be there, I'm gonna be there

when the chariot starts to roll
