You searched for love from strange places
Buying seeds from dying men

Look real close see their faces
Searching hard for the daily bread
I saw seeds of God salvations
Life giving food for your soul
No need to go away hungry
Cause Kingdom love is never cold

These are trying times (trying times)
These are trying times (try try trying times)
These are trying times (trying times)
These are trying times (try try trying times)

We the sign seeking generation
Hear what I have to say
Guide your ears and your heart
Walk the straight not stony way

These are trying times (trying times)
These are trying times (try try trying times)
These are trying times (trying times)
These are trying times (try try trying times)

uh – uh – uh – uh x 2v.

An evil and adulterous generation you are
Seeking after signs
No sign will be given you
Except the sign of the profit Jonah
For as Jonah was 3 days and 3 nights In the belly of the great fish
So will the son of man be 3 days and 3 nights heart in the earth

These are crying times

Will you stand upon the rock
Or will you fall with the shifting plain
Come taste seeds of salvation
Cause Gods yolks the easy way

These are trying times (trying times)
These are trying times (try try trying times)
These are trying times (trying times)
Trying times (try try trying times)

Trying times (trying times)
(try try trying times)
Trying times (trying times)
Trying times (try try trying times)

Such a brave seeking generation
Give us our daily bread
